

Open Position – Outside Nursery

Job is outdoors, and year-round. Working with plants and customers on a daily basis. This is a manager track position with room for growth in responsibilities including plant buying.

A successful candidate will:

- Have functional horticultural knowledge
- Have a love for plants
- Have retail/customer service experience
- Be a leader
- Be able to lift and carry 45 pounds

This is a full-time position with benefits; salary negotiable depending on experience and skills.
